FOR OVER 25 YEARS, WE'VE BEEN THE STEADFAST STRATEGIC ALLIES OF OUR CUSTOMERS.

A Dynamic and Modern Firm

Our Values:
Effectiveness, Excellence, and Commitment.

Internationally Recognised

"Without a doubt, they demonstrate commercial awareness and vision. Also, not only in legal terms. Sometimes, economic solutions are worth more than litigation. The option is always on the table. They are very good."

"They offer efficiency. They respond promptly to queries. Their reports are characterised by their practicality and are supported by effective follow-up. They have specialised knowledge across each of their practice areas and successfully manage judicial matters.

"Vast experience in various judicial and administrative cases, which is then translated into quality advice, with a communication capacity appropriate to the type of client."

Our meticulously crafted legal strategies empower us to consistently achieve outstanding results.

Services

Litigation
Our track record boasts a high percentage of favourable decisions and judgements in the cases we handle, reflecting our commitment to excellence.

Arbitration
In arbitration, we've distinguished ourselves by embedding a hallmark of exceptional specialization in negotiation, conciliation, and arbitration services.

Public Procurement Arbitration
We offer specialized counselling to suppliers and contractors, ensuring they navigate and execute their contracts with public sector entities effectively.

Insurance
We've honed our expertise, becoming leaders in both insurance and reinsurance.

Health
We have a highly specialized team with expertise in administrative and judicial disputes related to health, medical law, and civil liability.

Labor
We provide you with comprehensive consultancy and specialized counselling at all levels

Consumer Affairs and Competition
We advocate for our clients in a wide range of administrative proceedings before INDECOPI [the Peruvian agency that safeguards consumer rights, intellectual property, and market competition.]

Consultancy and Specialized Counselling
Our highly competitive team offers expertise in civil matters, consumer protection, telecommunications, and more.

- **Civil Property Law**
- **Corporate Commercial Law**
- **Banking Law**
- **Project and Infrastructure Law**
