**FOR OVER 25 YEARS,
WE'VE BEEN THE STEADFAST
STRATEGIC ALLIES OF
OUR CUSTOMERS.**

A Dynamic and Modern Firm

Our Values:
Effectiveness, Excellence, and Commitment.

Internationally Recognised

"The quality of service provided by Rodríguez Angobaldo Abogados has been excellent thanks to their experience in handling legal matters. The team always strives to offer high-quality service. They have handled all cases professionally and with dedication."

"It is a work team composed of high-quality professionals with a valuable contribution of legal knowledge."

"Vast experience in various judicial and administrative cases, which is then translated into quality advice, with a communication capacity appropriate to the type of client."

Our meticulously crafted legal strategies empower us to consistently achieve outstanding results.

Services

Litigation

Our track record boasts a high percentage of favourable decisions and judgements in the cases we handle, reflecting our commitment to excellence.

Arbitration

In arbitration, we've distinguished ourselves by embedding a hallmark of exceptional specialization in negotiation, conciliation, and arbitration services.

Public Procurement Arbitration

We offer specialized counselling to suppliers and contractors, ensuring they navigate and execute their contracts with public sector entities effectively.

Insurance

We've honed our expertise, becoming leaders in both insurance and reinsurance.

Health

We have a highly specialized team with expertise in administrative and judicial disputes related to health, medical law, and civil liability.

Labor

We provide you with comprehensive consultancy and specialized counselling at all levels

Consumer Affairs and Competition

We advocate for our clients in a wide range of administrative proceedings before INDECOPI [the Peruvian agency that safeguards consumer rights, intellectual property, and market competition.]

Consultancy and Specialized Counselling

Our highly competitive team offers expertise in civil matters, consumer protection, telecommunications, and more.

- **Civil Property Law**
- **Corporate Commercial Law**
- **Banking Law**
- **Project and Infrastructure Law**
